

Product Data Sheet

VPL5000

Product Name: VpolyLube VPL5000

Manufacturer: Volution, Inc

Physical Property: High-Temp Oil filled micro-porous polymer

Lubrication: Synthetic Ester Blend with low friction and EP additives

Operating Temp: - 25F (- 25C) to 350F (176.6C)

Viscosity	cST
@ 40C	220
@ 100C	19

Index: 95

Oil Specific Gravity: 0.97

Cu Corrosion: 1B

Additives: anti-corrosion, high pressure, oxidation resistance, low friction anti-wear

Color: light gray
